*Each day I live,  
I want it to be  
a day to give  
the best of me.  
I'm only one,  
but not alone.  
My finest day  
is yet unknown.  
I broke my heart  
for every gain.  
To taste the sweet,  
I faced the pain.  
I rise and fall,  
yet through it all,  
this much remains...*

*Give me  
one moment in time  
when I'm more than  
I thought I could be.  
When all my dreams  
are a heartbeat away  
and the answers  
are all up to me.  
Give me  
one moment in time  
when I'm racing  
with destiny.  
Then in that  
one moment of time,  
I will feel eternity.*

SAY CHEESE!

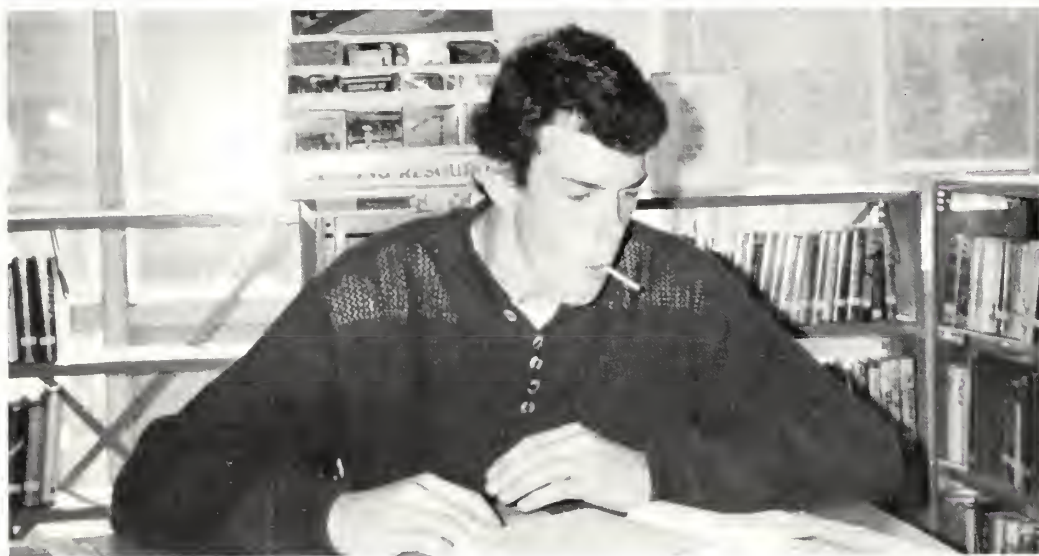

Time  
Time is intangible.  
Five minutes, what is it?  
Eternal to be under a dentist drill,  
but too short to visit a friend.

How do we measure this invisible force,  
that drives our lives unrelentingly?  
By a machine,  
a turn of a calendar page,  
the bell of a class.

Something humans designed goads us ...  
But I haven't time to say more.

-Catherine Owens

It's okay, Jen, it's dead now.

Hurry up and take the picture.

One-way

You toucan, look like this!

Should we tell her the bell rang?

# TIME OUT

I LOVE School!

Coupon?

Hey Mom. Can you dismiss me? I'm sick.

Think anyone will notice I'm hiding a zit?

You'll like it. Trust me.

What teacher am I?

This time has gone by  
so fast.  
Our high school years- a collection  
of memories  
that we will keep close to our heart.  
Remember the good times, and sometimes,  
even the bad.  
Don't look back; keep going forward  
to fulfill  
your dreams,  
and as you go through the pages of this book-  
years from now-  
laugh a little.  
Cry a little.  
And always remember  
our high school years  
as one of the best times  
of our lives,  
with many still to come.

## DEDICATION

Miss Hurley came to North Reading in 1987 after graduating from Salem State College and teaching at Burdett. She soon showed us she was more than just another teacher in the Business Department.

Our trust and respect were captured immediately by her sunny personality and sincerity. She is always ready to help with any problem whether it be academic or personal. She listens without ever passing judgement. Then, with a few words, she lets us know that she really cares.

Miss Hurley has much confidence in our abilities and often gives us moral support when times are rough. For these few past years, she has selflessly put our needs and feelings ahead of hers. Now, saying "Thank you" just doesn't seem to be enough.

The Class of 1989 is honored to dedicate this yearbook to Lillian Hurley. Thank you for all you have done to make our high school years wonderful. With the confidence and feelings of self-worth you have instilled in us, may we make you proud.

Kathleen Pickett

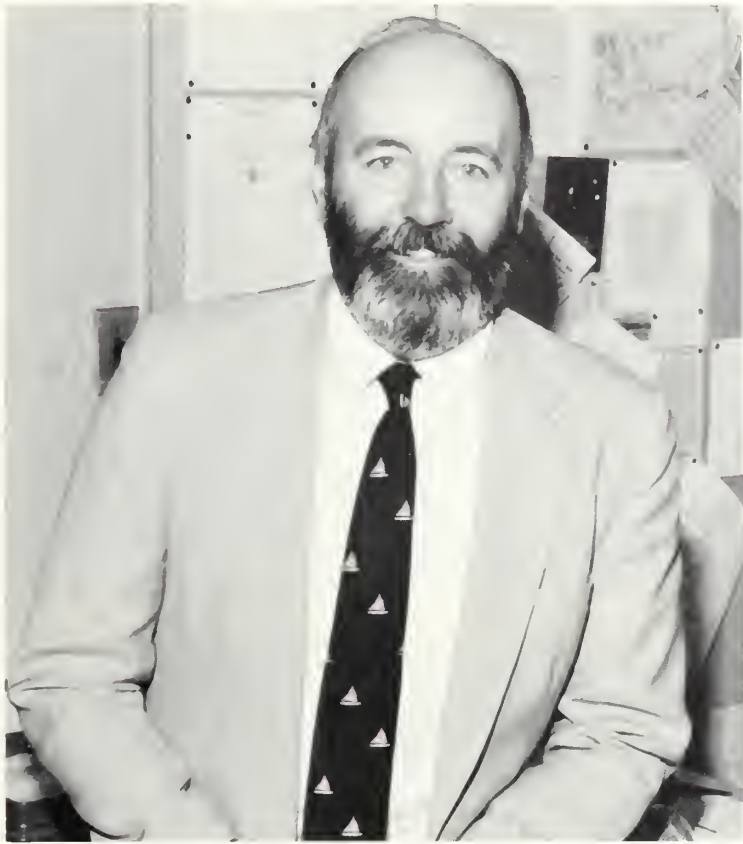

## ADMINISTRATION

We, as a class, would like to extend our thanks and appreciation to the staff of North Reading High School. You have exposed us to new and different ideas that have prepared us to face the world as adults. When we leave here, we will carry that extra knowledge with us and hopefully use it carefully and wisely. Thank you for taking the time to care about our future. We will never forget you.

# THANK YOU

The yearbook staff would like to express its appreciation to Mrs. Guy and Miss McBride for their contributions to the 1989 yearbook.

Although her primary role was that of an advisor, Miss McBride frequently assumed several of the staff responsibilities. Not only did she help lay out pages, she spent much of her time typing and raising the necessary funds to produce the book. The yearbook staff would like to thank her for all the "after hours" she spent with us.

Mrs. Guy handled the important business aspects of this yearbook. She was known as the person "behind the scenes." Her various activities included correspondences, soliciting and keeping track of advertisements, arranging for photographers, and handling emergencies.

Without the assistance of Mrs. Guy and Miss McBride, this book would not have been possible. Thank you!!!

# A TIME TO COME

In the past, the yearbook staff has been forced to write a prophesy. Usually, it was too long, too boring, and none of it came true.

This year we decided to get it straight from the medium's mouth. We couldn't get Mrs. Reagan's astrologer, so we did the next best thing. The expert Jean Dixon graciously accepted the challenge of predicting our class's future.

# FOOTBALL

The 1988 varsity football team won only one game, but they played very tough. The team lacked experience, yet accomplished much.

The Hornet offense was led by explosive halfback Billy O'Leary. Bill led the team in points and yards. Another standout was Carmine Dicenso. He complemented the offense with his shifty moves all season. The offensive line was led by big Brad Hughes.

The defense was manned by hard hitting linebacker Bill Warren and tackle Joe Murphy. Steve Andrews also came up with some big games at linebacker.

The team's lone win came on a rainy day at Masco. That day Bill O'Leary ran for four touchdowns and over 300 yards. The defense also played with a vengeance. The final score was 30-19.

All things considered, the members of the team are proud of their performance.

Calling the annual girls football contest "The Powderpuff Game" may be a misnomer. The true nature of the game is not manifest until the contest begins. Those of us who have played may have different names for it. For others it may be an amusement, a joke, a caprice. Those of us who played in the "Powderpuff" Football Game took it seriously. To us this game was a tradition akin to the Senior Prom Court and the crowning of the Spirit Week Queen. After barely ten hours of preparations — learning rules, plays, defenses, and special teams — we were faced with an encounter that would either highlight our senior year or leave a bitter taste in our mouths. Two by two, armed with only our fans' support, our coaches' advice, our dreams and determination, we silently walked out to the field to meet our arch-rival Lynnfield. We played our hearts out! Our offense was unstoppable and our defense was awesome. We won, 20-14, and we set a new scoring record doing it! We were psyched! We celebrated! This was one moment in time that we would never forget!

# CHEERLEADING

Front row: Coach L. Doherty, J. Moscone, H. Dickinson, D. Puliafico, R. McDonough, R. Vautour, B. Hamel.  
Second row: K. Barringer, K. Atkins, Capt. H. Hennessey, Capt. J. Martin, A. Paterna, T. Casey.

Even though we didn't do well in the Cape Ann League Competition, we still had a lot of fun. Cheering for the football players had some good times as well as some bad. The highlight of the season was when they played Masco in the rain and won.

We also had a blast when we decorated the football players' locker room for home games. We hung toilet paper and cray paper around the locker room and threw bags of candy in their lockers. This got them psyched. On the night before the Thanksgiving Day game, we went out and decorated the senior guys' homes with toilet paper and shaving cream. They really enjoyed cleaning up their yards but didn't hesitate to get back at us by decorating the senior cheerleaders' homes. Thanks guys!

Other good times were cheering in the rally along with the other "cheerleaders," who did a great job for their first time cheering, and cheering in the Thanksgiving Day game. Regardless of the result, it was still an exciting game!

# VOLLEYBALL

**Front row:** K. Delamater, R. Crabbendam, Capt. J. Whitney, S. Stewart, C. Lungren.  
**Second row:** D. Stamegna, Coach V. Hill, J. Merchel, M. McNabb, J. Caproni, S. O'Donnell, M. Celata.

The Volleyball Team ended the season with a winning record: 10-8. With only two returning varsity players, we managed to develop a working team. We felt the pressure to uphold North Reading's fine volleyball reputation, that of State Champions and North Sectional Champions, etc . . . Even though it didn't turn out that way, this was not a disappointing season. We did our best and have high hopes for next year's squad.

At the end of our scheduled games, we tallied up the victories. We defeated many of the teams we lost to in the beginning of the season. Although we fell just short of qualifying for the States, we still did well. We placed 4th in the North Shore League. This credit is no doubt owed to our coaches. Mrs. Hill and Ms. Holden; thanks, we couldn't have done it without you!!

Darlene Stamegna

# BOYS SOCCER

The Boys Soccer Team really kicked butt this past season. They lost their first two games without Dana Mawn but finished the rest of the season undefeated taking the CAL Championship. The boys had the longest undefeated streak of any team in North Reading history. There were some tough games against Rockport and Pentucket but the hardest was against Bedford. Carmine Petrosino and Lance Tryder were injured early in the season and the team was sorry for the loss of two great players.

This was Coach Barasso's second season as a varsity coach. As the record shows, he was a very good one. His determination, strength and dedication brought his boys through a victorious season. The boys of '89 wish him luck in the future.

The BAD DOGS, CSR's and the HACKERS had many hard fought World Cup games but were all outdone by some fairly rookie team.

Everybody did their part to pull out twelve wins and three ties. They definitely had one of the best seasons ever.

# GIRLS' SOCCER

Back to school, foliage, shorter days, etcetera; fall means many things to each of us. For our team, soccer is an integral part of autumn. For many of us, since our early experiences in youth soccer, playing for N.R.H.S. was our goal. We pioneered girls' soccer in North Reading and 1988 was only the second year we had a girls' varsity team.

We played a difficult schedule and will always remember the times we played well, no matter what the outcome was. We were always a team. We cared about each other and our sport.

Through our years of soccer, teammates and coaches have meant a lot to us. For these reasons and more, our season of soccer will always be special.

The 1988 Boys Cross Country Team finished with a 2-10 record. However, many of their losses were by close scores. The team's two wins occurred against Lynnfield and Ipswich. The team members all improved their times appreciably. The Girls Cross Country Team also had a losing record. Nevertheless, the girls should be commended because they really worked hard and improved their times also. The girls team, which had all new members, was unfortunately plagued by injury and lack of numbers. Overall, the teams are proud of their performances this year.

**First row (l to r)** — B. Hanson, J. Nelson, B. Thirkell. **Second row** — Coach Cohen, J. Ogren, G. Neiley, J. Calvino, E. Feeley, J. Bryson, M. Dymont.

Compared with the previous year, the North Reading Golf Team played very well. The final record was 6-7-2. Although this may not seem very impressive, we improved greatly from last year. North Reading beat Lynnfield, a usually dominant team, twice. We also defeated other tough schools. The North Reading Golf Team looks like a team with a bright future.

## BASKETBALL AND HOCKEY CHEERLEADING

For us cheerleaders, one of the most exciting times during the season was when we placed third in the Cape Ann Cheering Competition. We had a lot of fun doing our routine and were happy and excited when we placed. To everyone who was there cheering us on, we would like to thank you.

Cheering for our basketball team was also a lot of fun and we would like to congratulate them on an exciting and terrific season.

The 1988-89 North Reading Varsity Hockey Team concluded their season at 4-8-2, placing fifth in the Cape Ann League. The Icemen, led by coaches Peter Barasso and Brian Rosetti, have all done their part to put North Reading's Hockey program back on its feet. The mere four wins on the record do not reflect all of the close games, including the ones with Newbury port and Lynnfield.

This year's captain and only senior Dave Cameron led the team through some rough times with his spirit and motivation. This support was much needed after goaltender Kevin Ring was put on the injured list early in the season, but with the help of Cameron, co-captains Geoff Neiley and David Brown, and forward Dave Santiano in net, the team pulled through the season with the best record in years.

# GIRLS INDOOR TRACK

This year's Indoor Track season was a success. Several of the athletes qualified for the All-State meet held at Harvard. Along with fine performances, three school records were broken in the process.

Despite having a completely new squad, many new talents were discovered. The team will only say goodbye to the senior captains, Christina Sadlow and Darlene Stamegna. This void will be filled by the upcoming runners. Among many of the rising stars are six freshman, six sophomores, and four juniors. These girls will take on next year's challenge. It is safe to say that they will be in good hands, led by two very fine captains, Kelly Nolan and Michelle Regan.

We want to send Mr. Cleary special thanks for all he has done for us. He made for a great season by pushing us to our limits. We love you and we'll miss you — except we won't miss those parking lots!

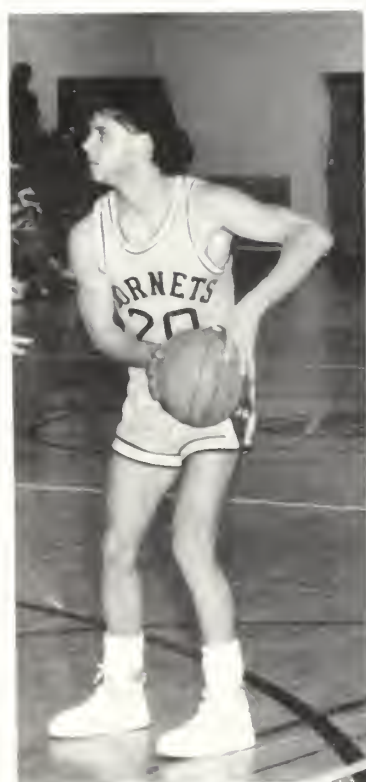

Darlene Stamegna

Front row (l to r) — T. Gaigles, Capt. D. Stamegna, Capt. C. Sadlow. Second row — P. Piscatelli, B. Tobin, N. Gaspar, K. Nolan, M. Tobin, C. Lambert. Third row — K. Thorn, D. Burke, K. Spires, S. O'Donnell, J. Abau, K. Eames, M. Regan, P. Estey.

# BOYS BASKETBALL

Back row (l to r) — Coach Svehla, Capt. M. Kelly, E. Feeley, M. Casey, D. Stats, M. Yachimski, K. Murphy, Coach Kipnes. First row — T. Butler, J. Brussard, J. Bryson, J. Nelson, M. Leyder, R. Tiberii, C. Dicenso.

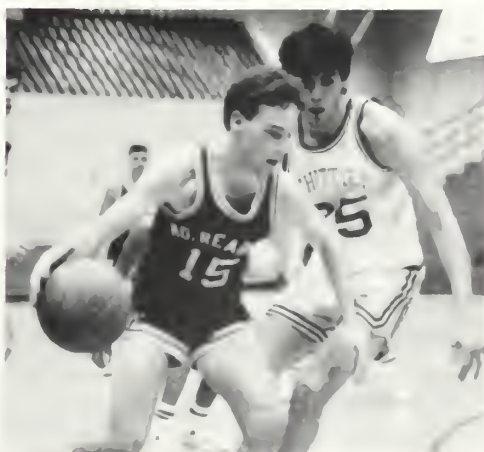

The North Reading High School Boys Basketball Team finished with a 12-9 record, second place in the Cape Ann League Division II, and a qualification for the state tournament. Unfortunately, they lost a heart-breaker in the state tournament to Whittier Tech. The team started its season off by winning its first six games before losing to Austin Prep in overtime. The remainder of the season featured six more wins.

The team was led by Ed Feeley, who was a Cape Ann All Star and also a league All Star. Tim Butler was a Cape Ann League All Star. Captain Matt Kelley was a key player for the Hornets. John Nelson finished the season off with fourteen three-pointers. Rick Tiberii, John Brussard, and Jeff Bryson played an important role in the Hornet's defense. Mike Casey finished with a strong season. Mike Leyden, Don Stats, Mike Yachimski, and Kevin Murphy also contributed to the team's success.

# GIRLS BASKETBALL

After having an excellent '87-'88 season, the girls' varsity team had an even better season this year. We were undefeated in the Cape Ann League, and ranked #2 in Division 2 States. Our season ended with a surprising loss to Saugus.

Having only four returning varsity players, two J.V. players, and five sophomores, we managed to work well together and were very successful.

We would like to thank Coach Lombard for helping us to achieve our goal of going undefeated in the Cape Ann League.

Jen Whitney

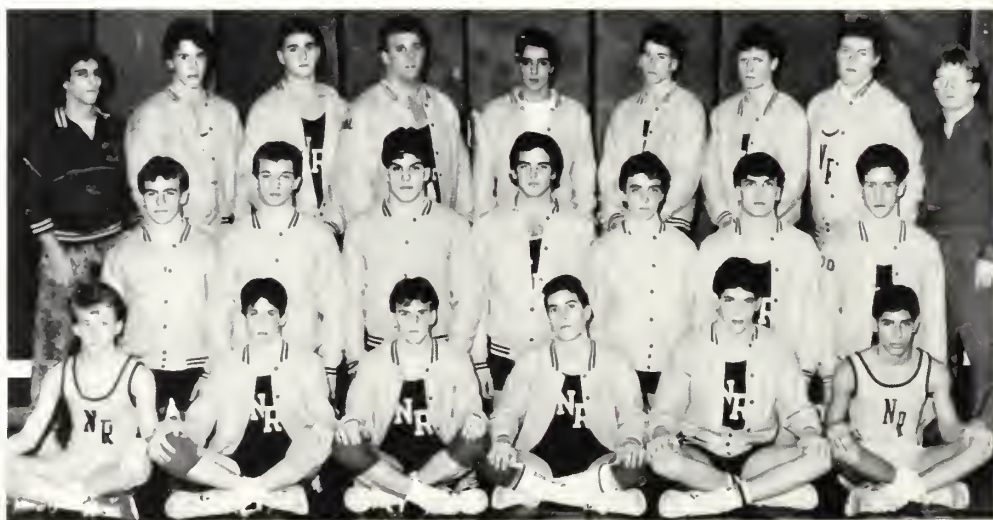

# WRESTLING

The 1988-89 North Reading Wrestling Team, led by Coach Eric "Bubba" Johnson, had a very good year. The team's 11-8 record did not adequately reflect our respectable third place finish. The grapplers lost a lot of close matches due to injuries.

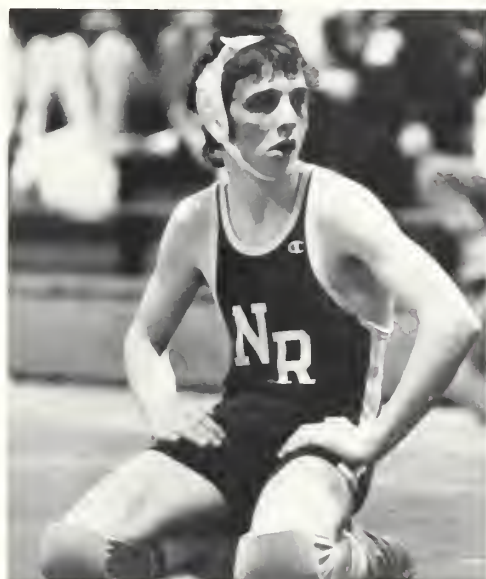

The tournaments at the end of the season turned out pretty well for the Hornet grapplers. Heavyweight Captain Joe Murphy was C.A.L. Champ and sixth in the sectionals. Sophomore sensation Rich DeStefano at 189 lbs., had a great year, he was second in the C.A.L.'s, third in the sectionals, and fifth in the state, which is a great accomplishment for a sophomore. Other place winners were Jeff Ogren — 119 lbs., who was fifth in the sectionals, and Mike Barnes — 145 lbs., who was also fifth in the sectionals.

Joe Murphy

Front row (l to r) — E. Cofer, M. McLaughlin, J. Ogren, M. Dymont, S. O'Leary, P. Firriello. Second row — T. Eicher, A. Cain, R. DeStefano, T. Steeves, S. Burt, J. Potter, R. Helgeson. # ACADEMIC DECATHALON

Coach Landry

The North Reading High school Academic Decathlon Team studies a variety of topics to compete against other schools. These "meets" consist of a day of test taking in seven different subjects. At the end of the day medals are awarded to the top scorers in each category.

The year North Reading participated in two competitions. The first one was the State Tournament. Our team did not place very high, but we did improve from last year and two students from N.R.H.S. won medals.

In February, N.R.H.S. hosted a Small Schools Tournament in which nine schools competed. After months of intense studying, we dominated, placed first, and many students on the team won medals.

All of this would not have been possible, however, without the support and dedication of the team's coach, Mr. Landry. Two years ago he started the Academic Decathlon in North Reading, and his hard work is what made this team a success.

# OUT OF

# TIME

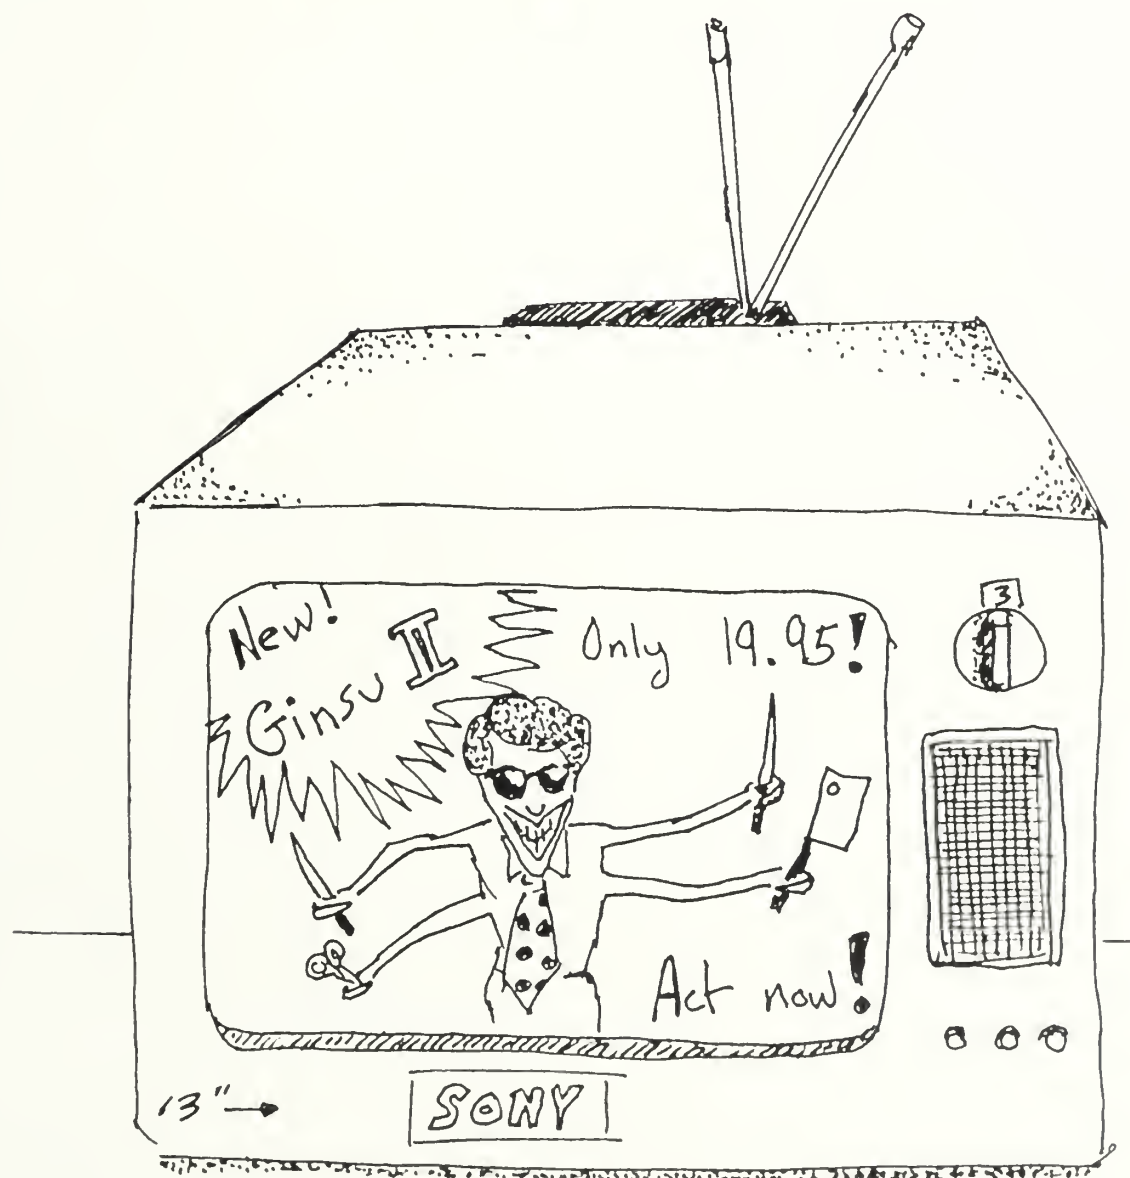

Well here we are, out of time. Out of pages. It's the end of the yearbook and the close of our high school years. We have worked hard, and sometimes we doubted if it was worth it. But we survived and have taken many memories with us — good and bad. Some of them we wish we could forget. Others we can never forget. This book is just a piecemeal of all the memories we have had at NRHS.

Remember these times with fondness. Years from now, when we glance back at this book, may it remind us of our trials and triumphs of high school. This has been the end of our adolescence and the beginning of our adulthood. Recall our first love, our first experience driving solo, and our first paycheck. Our high school experience may

have seemed overwhelming, but remember, it's just:  
**ONE MOMENT IN TIME.**

## NOBODY'S PERFECT.

When you make millions and millions of pairs of the world's finest athletic shoes as we do at Converse, you're bound to make a few boo boo's. A missed stitch here. A little skuff mark there. A tiny dab of glue that our quality inspectors get sticky about.

Nothing that in any way affects the performance of our shoes (in fact, most of the blemishes are so slight, you're going to have to look closely just to find them.) But standards are standards.

So, regrettably, every month we ship cases and cases of almost perfectly good basketball, football, tennis and running shoes to our Converse Factory Outlets and sell them at tremendous savings. All because, as good as we are at making athletic shoes, we're still not perfect. Aren't you glad?

Front row (l to r) L. Demetri, K. Donovan, T. Nilsson, J. Caproni, R. Crabbendam, L. Atkins 2nd row S. Stewart, S. Hayes, K. Novasad, A. O'Brien, A. Dill, M. Celata, C. Butler, J. Merchel, S. Mawn, Coach Russell

The 1989 varsity softball team had another successful year. In the last three of coach Russel's four year reign he has led the team to the quarterfinals of the state tournament.

The team was led by six excellent seniors with five very impressive juniors returning next year and four sophomores giving the team a bright future.

This year, under coach Russel, we won a co-championship with Pentucket in the Cape Ann League II. This was the first time this happened since the early 80's. In twenty games, this club experienced only four losses. Three of them came in the last four games. After this rough start the team did not lose until the last game of the season against Lynnfield.

To represent the superior team were All-League Aimee O'Brien and All-Stars Lori Atkins, Jennifer Caproni, Amy Dill, Sue Hayes, Terri Nilsson, and Aimee O'Brien. Togetherness, something coach Russell encouraged in all of us, is what kept this team alive. We would like to thank him for the best year ever and wish him luck in the future.

Jennifer Caproni

# BASEBALL

The NRHS varsity baseball team ended the 1989 season with a 9-11 record. They finished in third place missing the state tournament by just one game. The team participated in the Nipper Clancy Tournament Finals. Co-captain Joe Murphy, who made the All-League Team, was the team's best hitter. Brian Hanson, who also made the All-League team, was a great pitcher and had a low earned run average. The other co-captain, Mike Leyden, had a strong season defensively. The remaining seniors, Tim Mustone and Brian Fitzgerald, made various contributions to the team. The teams underclassmen gained experience from playing in the varsity games. These players include Keith Landry, Brian Williamson, Mark Bevilacqua, Scott Demetri, Corey Ricardo, Geoff Neilley, Mike Casey, and Aldo Vittozzi. The number two and three pitchers were Todd Lowthers and Chris Hanson

# GIRLS TENNIS

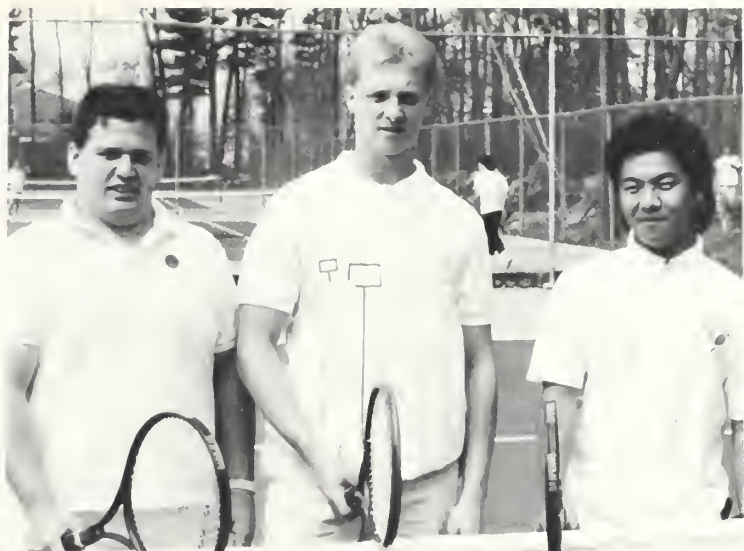

The NRHS girls tennis team had an outstanding season thanks to Bev Hanson, Molly Whitney, and lots of hard work. They finished second in the Cape Ann League after losing their last game to Lynnfield. Other than that they were undefeated. Becki Hozubin and Heather Hennessey were a strong first doubles team. When Becki hurt her knee, Heather Dickinson did a superb job of filling in. Shannon O'Donnell was a very strong second singles player. Jen Whitney was dynamite and was named All-League Player of the Year. Alicia Hidalgo, Michelle Chabot, and Cathy Owens also made good contributions to the team. First and second singles and the first doubles team made the CALs. The team made the stakes. All in all, "It's Hip to Play Square."

Front row (l to r) A. Hidalgo, M. Chabot, J. Whitney, H. Hennessey, H. Dickinson 2nd row Asst. Coach Whitney, C. Owens, J. Stack, J. Lyons, K. Ward, S. O'Donnell, Coach Hanson

## BOYS TENNIS

The boys tennis team did much better this year than in the recent past. They had a .500 season. Matt Kelley was a strong senior player as was his counterpart John McNabb. The future is bright for the team for the majority of the players will return next season. First singles Kevin Pouche and second singles Brian DiVasta will only be juniors next year.

The highlight of the season was their final match — against Lynnfield. In close games, with a final score of 3-2, North Reading beat their rival and also pulled up their average to .500. Their hard work and determination reaped a fruitful year with more hope for the future.

Front row (l to r) N. Johnson, B. Hughes, M. Kelley, J. McNabb, M. Pouche. 2nd row B. DiVasta, K. Sullivan, D. Kelley, C. Hickey, D. Malone. Coach Maes.

# GIRLS TRACK

Front row (l to r) H. Buch, K. Delameter, D. Troy, C. Sadlow, D. Stamegna, B. Riddell, C. Lundgren, M. Reagan, A. Bartkin 2nd row B. Emerson, M. Tobin, T. Hennessey, K. Nolan, D. Burke, J. Boles, M. Pothier, C. Lambert 3rd row Coach Pottle, M. McNabb, P. Estey, T. Henchey, A. Stackpole, N. Paterna, K. Spiers, J. Abati, Coach McBride

Confusing to the casual observer, the happenings of a track meet are like a three ring circus. Concurrently athletes are running and jumping and throwing. Amid the complex drama, very simple contests of skill, speed and stamina are being resolved. The contestants give their all not only to achieve their personal bests but to win a victory for their school.

The spring of 1989 was another successful season for the girls. Led by captains Christina Sadlow and Darlene Stamegna, the mostly novice Hornet contingent was able to finish fourth in the league and third in Class D. Seven school records were broken and many other outstanding performances were turned in. Every girl reached some new personal best and their future goals include breaking more records. For athletes in track and field, the oldest of sports, the newest of records can always be broken.

# BOYS TRACK

The 1989 Boys Track season was another spring of fun and personal accomplishment. Recovering from the loss of roughly fifteen graduating members of the 1988 squad, the virtual "rookie" team worked diligently to master new events and reach new personal goals. The rebuilding season was successful in manifesting new talents and promising new performers.

Captains Steve Andrews, Kenny Brown, P.H. O'Brien, and Dave Panaro championed the squad with their steady performances. Newcomers set their sights on placing in their chosen events. At the season's close the team realized they had really improved and had learned a great deal about their sport and competition in general.

Front row (l to r) D. Panaro, S. Andrews, K. Brown, P.H. O'Brien, J. Pigoan 2nd row: D. Priest, D. Chapleigh, D. Istaiti, J. F. Garty, M. Yachimski, B. Magnani, S. Glavin, J. Feeley 3rd row: M. Bairos, R. DeStefano, M. Puglia, M. Griswold, T. Laudate, C. Farerra, J. Thurston, L. Lai, M. Kie 4th row: Coach Davis, Coach Cleary

## SENIOR SKIP DAY

I really wanted to write something amusing that would make people laugh, but I just couldn't think of anything funny enough to write about. I guess one of the reasons for this is that I'm out of school and that watching "Love Connection," "Leave It To Beaver" and "General Hospital" is hardly the way to improve thinking skills. Anyway I've got something to say, as usual, and here it is.

school, (what senior isn't?), and I am definitely excited about living away from home, but I am also afraid of losing touch with my friends. I can't imagine anything more awful than meeting your buddy from school on the streets and having them give you a blank stare as if they didn't know who you were. The thought of someone forgetting you (this someone being the person who once knew so much about your life that they could write your biography), is certainly frightening to contemplate.

Another thing that people keep telling me, is that the friends that I make in college will be the friends that will last a lifetime. For some reason this does not appeal to me. I am content with the friends that I have now, and I do not want to think of any new ones that I may make in college. I suppose that in this respect I am a closed-minded person who has no desire for change. You are right.

I know that there are many things that I do not know about, and will probably never know about, but I do know this. When I am sitting in my home with my babies in Oshkoshes I will know that somewhere out there are a bunch of great people whom I called friends and still do. "Don't be dismayed at goodbyes. A farewell is necessary before you can meet again. And meeting again, after moments or lifetimes, is certain for those who are friends."

Everyone keeps telling me that my high school years will be the best years of my life. They also tell me that I will not really understand this until I am about thirty or so and a victim of the "real world." I suppose that, in a way, these people are right, (after all it seems to be an unwritten law that people don't appreciate the things that they have until they lose them). However, I do think that I understand something of what they have said, because many of the people that are a major part of my life were found during my high school years in North Reading. When I think of my time spent in high school my friends automatically come to mind. These are the people who have shared almost everything with me from thoughts to bag lunches, and they are also the ones who are responsible for many of my good memories of North Reading High School. I have no doubt that without my friends not only would my high school years have been incredibly miserable, but my college-bound thoughts would not be tinged with sadness or nervousness. Certainly I am thrilled to be through with high
